CENTERVILLE JUNIOR HIGH SCHOOL
FREMONT, CALIFORNIA

VICE-PRINCIPAL -- MR. CHARLES MARCHESE

PRINCIPAL -- MR. ARTHUR SCHNABEL

We have now completed the first year under the Fremont Unified School District.

There have been many changes for the pupils of Centerville Junior High School. You have adjusted well to these changes and have profited from the school program. Despite some difficulties you have done your best and we appreciate your efforts.

Our eighth grade class is well prepared for high school. We watch you leave us with pride in your past achievements and assurance in your future success.

The faculty of Centerville Junior High wishes you good success in your four remaining years of school.
